Key Leadership Skills Education-Afternoon				
Leadership Lessons, Styles and Active Leadership	Change Management	Creating Effective Teams	Creativity, Innovation and Problem Solving	Stewardship and Outdoor Leadership Pulling It Together
What kind of leader am I?	What needs to change and how can I make it happen?	How can you create functional teams capable of getting things done?	How can you use innovation to move your company forward and address the unexpected?	How can we become leader-stewards working with our environment instead of against it?
Meyers-Briggs Leadership Styles Community Ideas for Action Plans Introduce Action Plans Form Teams – Assign Project	<i>Our Iceberg is Melting</i> by John Kotter: Change Management Basics Change Management and Team Building Action Plan Updates	<i>The Five Dysfunctions of a Team</i> by Patrick Lencioni: Understanding and Overcoming the Five Dysfunctions Techniques to correct dysfunction Action Plan Updates	Creativity, Innovation and Problem Solving Design-Centered Thinking Using innovation to move forward Action Plan Updates	The Environment, Stewardship and Outdoor Leadership Commitments to Future Action: Sustaining Personal Change Leadership Speaker Presentation of Class Action Plans
